Dear Pete:

The Congressional Hearings for the Hawaiian Native Claims bill is now scheduled in January of 1975 instead of November 1974. After reviewing the Hawaiian Native Claims bill, we invite your comments in writing, and should you desire to testify at the Hearings, please submit a copy of your testimony in writing to the ALOHA office during the first week of December.

Our purpose for requesting your written testimony is so that we may prepare sufficient copies to submit to the Congressmen who will be coming to Hawaii on the House Interior Committee. We would like to invite you to comment on any or all parts of the enclosed bill whether you agree or disagree with the bill.

We sincerely thank you for your time and efforts in this capacity and hope to hear from you very soon -

me ke aloha pumehana,

Charles K. Maxwell, Chairman
House Hearing Support Committee
and Vice-President of the
ALOHA ASSOCIATION, INC.
